

## Farmworker Mobile COVID-19 Vaccine Program

### Attestation Form

The purpose of the Ventura County Farmworker Mobile COVID-19 Vaccine Program is to deliver the vaccine to farmworkers at a location that is accessible, either in the field where they work or at a centralized location in their community.

The program's mission is to offer every farmworker living or working in Ventura County the option to be vaccinated against COVID-19 to help safeguard their health and safety, if they wish.

**In the paragraph below you, the employer, confirm that you understand that the COVID-19 vaccine is intended for farmworkers, those who work and live in Ventura County. The Farmworker Mobile Clinic event is not open to the public and does not include non-Ag employees, board members or family members.**
