Mobile Testing & Vaccination Clinics

We Will Come to Your Event!

Churches - Schools - Farms - Private Businesses - Festivals

The County of Ventura has partnered with 360 Clinic to bring a mobile testing and vaccination team to your event, free of charge. No insurance, no problem!

We've got you covered with this free service.

Site Requirements for Mobile Testing and Vaccination

- ✓ Business or organization must have at least 35 people that would like to get tested for the COVID-19 virus. Maximum capacity is typically 300 individuals.
- ✓ Outdoor location must include 100' x 50' open space suitable for parking the testing unit and setting up popup tents.
- ✓ Host location must provide access to restroom facilities for the testing staff within 200' walking distance of the event site
- ✓ Businesses and organizations are responsible for traffic control during the event within their premises.
