RAIN TLC Overview and Program Description

The RAIN TLC, located in Camarillo, began by offering shelter to homeless individuals and families in Ventura County during a particularly wet and inclement winter season in 1997. Local partners joined together to offer shelter to those who were homeless and many who were residing in camps along a local river. It served, in practicality, as an emergency homeless shelter. Over time, the operations moved to a more permanent location, and the services transformed to a transitional living Center service model, serving households who need a temporary place to stay while they restore their income, self-sufficiency, and housing.

Operated by Ventura County’s Human Services Agency, the RAIN TLC’s purpose is to provide transitional housing to individuals and families from Ventura County who are experiencing homelessness, including those who are fleeing or who have a history of domestic violence. The RAIN TLC’s staff are trained to provide an approach that is trauma-informed, person-centered, and principles-based. To assist individuals and families to be successful, the RAIN TLC utilizes the Bridges to Home program, which focuses on the existing strengths and skills of clients and enables them to work through the five program phases. These phases build on the attributes of being motivated, responsible, and accountable—ultimately leading to employment and permanent housing.

RAIN TLC Title IV Complaint Process

Any person who believes they have been discriminated against on the basis of race, color, or national origin by the RAIN TLC may file a Title VI complaint by completing and submitting the agency’s Title VI Complaint Form. The RAIN TLC investigates complaints received no more than 180 days after the alleged incident. Furthermore, the RAIN TLC will only process complaints that are fully completed.

Within 10 business days of receiving the complaint, the RAIN TLC will review the complaint to determine if our office has jurisdiction. The complainant will receive an acknowledgement letter informing them whether or not the complaint will be investigated by our office. The RAIN TLC will investigate the complaint in a timely manner. If more information is required to resolve the case, the RAIN TLC may contact the complainant. The complainant has 10 business days from the date of the letter to send requested information to the investigator assigned to the case. If the investigator is not contacted by the complainant or does not receive the additional information within ten (10) business days, the RAIN TLC will administratively close the case.

A case can be administratively closed if the complainant no longer wishes to pursue their case. After the investigator reviews the complaint, they will issue one of the following two letters to the complainant: a Closure Letter or a Letter of Findings (LOF). A Closure Letter summarizes the allegations, states that there was not a Title VI violation, and confirms that the case will be closed. An LOF summarizes the allegations and interviews regarding the alleged incident and explains whether any disciplinary action, additional training of the staff member, or any other action will occur.

If the complainant wishes to appeal the decision, they have 10 business days, after the date of the Closure Letter or the LOF, to do so.
A person may also file a complaint directly with the Federal Transit Administration at:

FTA Office of Civil Rights

East Building, 5th Floor-TCR

Any person who believes themselves to be subjected to discrimination on the basis of race, color, or national origin may by themselves or through a representative file, a written complaint with the FTA. A complaint must be filed no later than 180 days after the date of the alleged discrimination.
