

# What to Do If You Lose Medi-Cal Coverage

## If you didn't turn in your renewal form or are missing information...

Your Medi-Cal coverage will end if you don't turn in your renewal form in time or are missing documents. The Medi-Cal office will mail you a letter (Notice of Action) to let you know if we do not have your renewal form or the documents needed to process your renewal.

### Less than 90 days

If it is less than 90 days from the date on the letter, visit [BenefitsCal.com](https://www.benefitscal.com). Create an account if needed and upload missing information or bring the renewal form or missing documents to your local Medi-Cal office or one of our trusted Medi-Cal partners at Interface or MICOP.

### More than 90 days

If it is more than 90 days from the date on the letter, you must complete a new Medi-Cal application. You can do this by visiting [BenefitsCal.com](https://www.benefitscal.com).

### Need help with your renewal or application?

**Interface:** Call 833-607-2650 to speak with a Medi-Cal Navigator or text "medical" to 211211.

**MICOP:** For support in Mixtec, Spanish, or English, call 805-215-0730, or visit 135 Magnolia Ave., Oxnard.

## If you earn too much to qualify for Medi-Cal...

You may be eligible for financial help through Covered California, which offers discounted insurance based on income. If you qualify, the local Medi-Cal office will automatically send your information to Covered California. They will enroll you in a low-cost Covered California plan and reach out to you for confirmation.

**If you receive a notice asking to confirm your plan, respond right away.** You will have the option to change your plan or opt out. Visit [CoveredCA.com](https://www.coveredca.com) to learn more.
